## Mark 9:33-37 – September 3, 2017

### Life Group & Personal Bible Study

*This guide, based on Sunday's sermon, provides additional study and reflection for both Life Group discussion and personal enrichment. It is not meant to serve as a full Bible study curriculum, exhaustive commentary, or complete Life Group itinerary, but simply as a conversational resource for further study. Feel free to use these thoughts below as you enjoy your Life Group experience or personal time with the Lord.*

**Focus:** What do think frustrates coaches? If you have ever coached, parented, taught, mentored, or trained anyone, what attitudes or actions of those you are guiding makes it difficult? What makes a great learning environment?

Look up the following Bible verses about our attitude and actions under the coaching of Jesus. What do they say about a good environment to learn?

Matthew 22:35-40, Hebrews 12:5-11, 2 Peter 1:3-11

What other Bible verse might you add to this list?

**Reflect:** Read Mark 9:33-37 (but to get the context read Mark 9:14-32 as well) and think back over Sunday's sermon.

What points of the sermon or this passage resonated with you?

What questions came to mind? How were you challenged?

How did the testimonies challenge you?

What insights did you learn from the testimonies?

How do you react to the statement?

*Serving Christ can shape our character if we are humble and willing to learn*

### Dig Deeper:

Mike talked about finding our deeper needs in Jesus. What do the following Bible verses say about The Lord satisfying our deeper needs:

John 6:35, Psalm 107:4-9, Psalm 22:26, Psalm 16:11

How then do we find our deeper need in Jesus? The following Bible verses will help:

Romans 15:13, John 14:1, Proverbs 3:5-8, Jeremiah 9:23-24, 2 Peter 3:18

**Application:** What is one or two things you could do this week to intentionally follow Jesus?
